I caught a glimpse of Blog World Expo on JohnChow as well as MsDanielle's site and I think it's a great gathering. Malaysia has its own webmaster's gathering on

Date: 17th November 2007

Would you be going?

On the other hand, since JohnChow is a known evil genius and Shoemoney confirms it, I would also like to challenge to become a top evil blogger. I have applied to become Blogger's Choice Awards as the Most Obnoxious Blogger.

Here are several synonyms churned out by MS Word for the word obnoxious (in case you don't know):

Loathsome

Hateful

Horrible

Insufferable

Intolerable

Detestable

Unbearable

Abhorrent

PS – Watch the video where Shoemoney said JohnChow is evil!

Let me know if you are going for the webmaster's gathering :) Hopefully we could meet up for a cup of joe (I wouldn't want to turn up alone looking like a fool)!… Cheers!
