

## Welcome!

Yes! Finally! After days tinkering around with multiple templates, I finally found one that I like very much - and without errors too! I have modified it and hopefully it will serve me right&hellip;

I've made a flash for the top panel.. So far I'm satisfied with it &ndash; FOR NOW @@"&rdquo;.. I'd like to put some animation but it wouldn't be easy.. watch out for version II out in a couple of weeks..

In the mean time, enjoy my site &ndash; even though there's nothing here..

More coming up! Cheers!
